Clovelly Public School
Published by Jarrad Caines [?] · 14 August · 🌐

Just like every other year, we are so excited to welcome our upcoming Kindergarten students and their families into our community. Normally we would open our school doors for school tours and Kindergarten orientation days. Due to the current challenges we're all facing we are unable to have you physically in our school hallways but we thought we'd give you a virtual snapshot into 'A Day in the Life of a Clovelly Public School Kindergarten Student'.

Russ Karlson
Such a great introduction to the school. Fantastic work Matt, Jackson, Libby, Tolu, Garry Scate and all the team at CPS. We are so happy that our kids are there K-6!
